California State Club of WIT

Send to:  
Deanna Kojder  
29435 Silver Lace Dr  
Barstow, CA 92311

Membership in a local Chapter of the California State Club is not a requirement for membership in the California State Club. However, local Chapters have more frequent meetings, have members who welcome fellow Winnebago/Itasca motor home owners, and who are very knowledgeable about motor home systems. We encourage new members to contact local chapters and ask to attend one of their outings as a guest. Lists of local chapters, their area of membership, and their calendar of outings is available on the state club website ([www.calwit.org](http://www.calwit.org)).

We welcome you into membership in the California State Club of WIT. After joining, you will receive a state club newsletter in advance of each of our 2 meetings and 1 rally that are held each year.

Augie Sansone  
President  
CA State Club of WIT
